Completion of Entitlement program requires admission to teacher education, fulfilling curricular requirements for professional education, major, minor (not required in all programs) and State of Illinois general education requirements. Upon completion of all requirements for the entitlement program, the student must submit to Evaluation Services a written request for a final audit.

Completion of the Application for Undergraduate Entitlement and the Application for Certificate will enable our staff to audit the student's past record and project requirements for the entitlement program requested.

Please return form to the Registrar Service Center (RSC) in Moulton Hall for the Evaluations Department or scan and email the form to teacher@ilstu.edu
